

# PHEASEY PARK FARM EARLY YEARS CENTRE

## FOOD SAFETY POLICY

The following Policy has been adapted in conjunction with our Health and Safety Policy:

### **Baby Room**

Bottle feeds-See bottle feed policy

Only manufactured sealed jars with a label outlining ingredients and instructions for heating will be warmed up by staff. Powdered food will be made up according to instructions.

Any other food sent from home will be given cold (treated as a packed lunch).

### **Hot Meals**

Hot meals are produced by the school kitchens during term time.

During school closure all meals are cooked in the Early Years Centre.

Through the day drinks of water or milk and fresh fruit are available. Water is readily available to all children throughout the day.

All food to be brought in the child's individual bag. This bag should have the child's name labelled on it, any items requiring refrigeration will be stored in individually named clear food bags in the EYC fridge other food items will stored in their individual bag on the child's named peg.
